Air Quality permit under review

MEDIA CONTACT: Sarah Piziali, DNR, at 515-725-9549
or Sarah.Piziali@dnr.iowa.gov for construction permits.

DES MOINES – The DNR Air Quality Bureau has the following draft permits up for review. The permits help protect Iowans' health and the air where we live. DNR's permitting staff review the applications to ensure facilities comply with state and federal air quality standards. The public has the right and is encouraged to comment on draft permits. DNR considers [public comments](#) before finalizing the permits. Submit comments in writing to the assigned permit writer before 4:30 p.m. on the last day of the public comment period.

Construction Permits

DNR engineers review and issue construction permits to facilities before they build new or modified sources of air pollution. The public may review the following air quality construction permits available online at www.iowadnr.gov/airpermitsearch.

Black Hawk County

The University of Northern Iowa – Power Plant, 1901 West 30th St., Cedar Falls.
Project No. 19-080. Clarification of Boiler #4 coal ash load-out process. Public comment period ends Aug. 22.
